

May Day Flower Cone

You will need:

Scissors, glue, stapler, thin card, double sided tape, ribbon for the gift tag.

Colouring pens & pencils if creating your own design.

Instructions

- 1 Print out and cut out the shapes on the next 2 pages. Alternatively create your own design by using the blank templates on page 2 and 4.

- 2 Put double sided tape down one edge (as shown above). Fold the paper together to make a cone shape, sticking the patterned side to the tape.

- 3 Glue the two pink panels together, making sure the pink colour is showing on both sides. Next, glue or staple to the cone create the handle.
- 4 **You now have a flower cone!** You can put fresh flowers, or sweets in your cone, or you can make your own flowers by printing out the images on the last page of this activity. Stick them onto card, cut them out and then place them (or stick them) to the inside of your cone.

Attach the gift tag to your flower cone craft, ready to hang on a door handle as a May Day decoration!

Please remember to recycle this activity
