- ④ Place the wing template on to the plate front so the wing edges go over the fluted pattern on the plate. With a pencil draw around the wings. Mark where the template has dotted lines.
- ⑤ Draw around the tail template in the space left on the plate. Cut out the wings and tail.
- ⑥ Place double-sided tape on the tail, the side that would have been the back of the plate and stick to the dove's body.
- ⑦ Draw a line on the wings to join up your marks using a pencil and ruler, this will score the card. Fold the wings in half bending backwards. Bend the wings in the other direction where you have scored the card. Rub out the pencil lines.
- ⑧ To attach the wings. Place double-sided tape on what would have been the back of the plate, down the middle of the wings as shown.
- ⑨ Stick the wings to the dove's body by placing the body between the fold in the wings where your tape is.
- ⑩ Next place a piece of thread under the back wing and tie a knot. Hang your dove decoration up!

You now have a fantastic
