- 5 Measure the width of the green box and cut off any extra field background if it is wider than the width of your box.
- 6 Turn the tissue box upside down (so the hole the tissues come out from is at the bottom), and stick the picture to the back.
- 7 Draw 7 small crosses on the top of the box where the poppies will go.
- 8 Cut small crosses where your pencil marks are and push the straws through the holes. Push some flowers down further than others. If the flowers are taller than your field background picture, cut a bit off the bottom of the straws.
- 9 Print page 6 on to thin card, colour in and cut out the words 'We Remember'. Or use the coloured in version.
- 10 Cut out the grass and stick it to the front of the box.
- 11 Stick the words 'We Remember' on the front.

You now have a fantastic
