

Paper Plate Poppy

Here's a fun way to make a Poppy.

You will need:

*1 White paper plate,
scissors, glue,
paints, pens, pencils,
tissue paper.*

Instructions

- 1** Draw a petal shape with a pencil around the edge of the paper plate. Alternatively use the template on page 3 to draw around. Then cut it out.
- 2** Colour the petals using red paint, pens, pencils, tissue paper, or even material, use whatever you like.

Please remember to recycle this activity

- ③ Glue scrunched up bits of black tissue paper for the centre of the poppy.

Stick tissue paper in the centre of your poppy.

You now have a fantastic
Poppy!
