

Seeds into plants

Look at these seeds. Draw what they will grow into on the blank sheet of paper.

1

Acorn

2

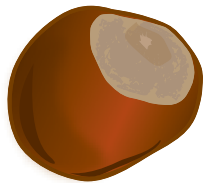

Runner
bean seed

3

Apple pip

4

Conker

5

Coconut

6

Sunflower
seed

Please remember to recycle this activity

If Jane planted a seed in each of these, tick which one would be most likely to grow. Explain why.

- ☐ Pebbles in a pot.
- ☐ Glass of water.
- ☐ Damp soil in a pot on a sunny windowsill.
- ☐ Empty pot.
- ☐ Damp soil in a pot in a dark cupboard.
- ☐ Dry soil in a windy place.
