

Local flora and fauna

Bobby, Samir and Raj have made a list of some of the **mammals**, **insects**, **birds** and **plants** in their area. On the next page, see if you can divide each of these lists into new smaller groups.

Birds

Mammals

Insects

Plants

Bullfinch Heron Canadian goose Blackbird Thrush Moorhen Robin Seagull Mallard duck Woodpecker	Rat Mouse Shrew Rabbit Fox Badger Vole	Bee Beetle Caterpillar Hornet Fly Ant Woodlouse Ladybird	Rose Daisy Poppy Holly Beech Snowdrop Crocus Tulip Sycamore Oak Daffodil Elm
