

Keeping warm and cool

Choose something to help you keep these people or things warm. These will all insulate against the cold. Match up the sentences on the left with the pictures on the right.

1. Drink in a cup. _____
2. A house with a hole in the wall where the window should be. _____
3. An elderly woman wearing a jumper and skirt in the house. She is looking out of her window at a winter scene, and is about to go outside. _____
4. A trawler man on his fishing boat wearing a t-shirt and trousers, it's raining and blowing a gale force wind. _____

Please remember to recycle this activity

Circle which of these would keep you cool in **summer**?
