

Dear _____

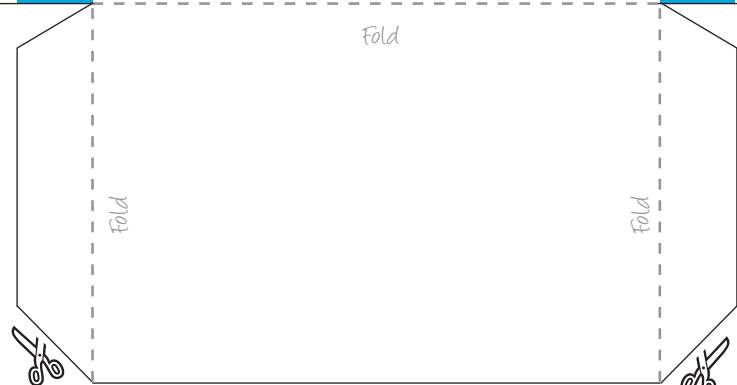

Last night while you were asleep, I looked under your pillow and found your tooth! Thank you for leaving this for me, I've now added it to my collection in Fairyland. I've left you a gift for being so kind and giving it to me. Remember... always take good care of your teeth!

The Tooth Fairy

Cut out and use to seal the pocket once your gift is inside. Do this by using double sided tape (or glue) on the back.

When folded, glue/stick on to the front of the letter

When folded, glue/stick on to the front of the letter

Cut along the black line
