

Scrunchie Valentine Heart

This activity is suitable for even tiny fingers, aiding co-ordination and creative development.

You'll need

A large piece of card, pink and red tissue paper, glue and scissors.

1

Cut out a heart shape from the piece of card. Then encourage your child to screw up small pieces of the tissue paper into a loose ball. Then cover the heart in glue and let your child press the tissue paper balls onto the heart.

2

When you have finished you'll be left with a pretty pink and red coloured heart.

Please remember to recycle this activity
